Re: Information/Documentation Request for Inspection # 310950563

Dear Mr. Jack:

This letter is a formal request to provide written documentation, correspondence, etc. related to the open inspection at the Ethan Construction/Rainier Commons worksite. Please review the requested items listed below, assemble and forward the documentation to me no later than April 27, 2007:

- Copy of the written statement of the assumption of the presence of asbestos provided to Dakota Concrete Cutting as described in WAC 296-62-07721 (2)(b)(iii).
- Asbestos Awareness training record for Dakota Concrete Cutting employees
- An example of the training record retained by Ethan Construction to document Asbestos Awareness training for subcontractor employees.
- Copy of the contract/purchase order for the Building 25-chase wall drilling work performed by Dakota Concrete Cutting on or around January 5, 2007.
- Copy of "Asbestos Building Survey Report" executive summary dated July 27, 2006 and authored by Vernon Environmental Inc.

If you are unable to provide the requested information, please provide a written response describing the reason.

There are a few ways to respond to these requests. The documentation can be faxed to me at (206) 515-2879 or I can collect the information from you at the worksite. Please let me know your preference.

If you have any questions, please contact me at (206) 515-2875.
